

# Change is in the air!

Everyone can benefit from a little sprucing up. Starting July 31, 2017, the [planwithease.com](http://planwithease.com) website will be refreshed to make managing your retirement account even easier! The new design features easy-to-read content, dynamic graphics, and enhanced instructions while maintaining the previous options and functions. The site also offers better support for mobile and tablet devices.
